LEAVING BEHIND A LEGACY

Philanthropy is a personal experience, and we want our donors to feel connected to the impact they are creating. For those who want to honor a loved one who passed or an inspiring figure/organization in their community, Paani can dedicate a clean water well to whomever a donor chooses by engraving a personalized plaque on the well. By doing so, we leave a lasting legacy for our generous donors.

PAANI DUE DILIGENCE

If anything breaks down, community members contact Paani and we send our team in order to resolve any issues.
